

When you register (via access code or online instant access), you also have the option of adding the print upgrade for \$19.95 extra (no shipping cost).

Follow these steps to get started or watch a short video

(www.pearsonhighered.com/revel/students/registration) on how to register for REVEL:

1. Enter your Course Invite Link in your web browser. Please use a recommended browser like Google Chrome, FireFox, or Safari.
2. If you already have a Username and Password for another Pearson technology (i.e. MyMathLab), go ahead and sign in. If you do not have one, you'll need to create one using a

Grading Scale*

A = 92.5 - 100%

a folder for each week providing all the material you will need and containing all the assignments due. The weekly materials will be available from 12:00 AM EST Monday to the following Sunday at 11:59 PM EST. The only variation in this schedule is during the final week of the class. The final exam and all assignments for the final week will be due at 11:59 PM EST Friday May 5th, 2017. Please see the schedule for details.

I do not allow for individuals to work ahead.

Please note that while this class is administered and delivered online you will be required to spend at least the same amount of time completing it as you would an on-campus course. You should expect to spend no less than 9-12 hours per week on a 3 credit hour course.

Specific Course Rules: Make-up policy:

All late work will be penalized unless there is an emergency situation with documentation including: hospitalization of self or immediate family member (mother, father, sister, brother, child, spouse/partner); death of immediate family member (mother, father, sister, brother, child,
