Simulation Center IISC	\$200.00 per semester – New fee to partially cover technology costs for the simulation center. To be charged to all MD students in the College of Medicine.

The Simulation Center Fee IISC is directly attributed to the use of UT's Simulation Center, equipped with high technology to enhance education and skills for UT students, particularly those in medicine, nursing, pharmacy, therapy and other health professions.

The Center includes simulated hospital rooms, an intensive care unit, trauma suite, operating room, labor and delivery room. UT students learn to care for patients by practicing skills and procedures using simulation, as well as working as teams in a virtual hospital equipped with human patient simulators. Debriefing rooms encourage team problem-solving and discussions to improve patient care and team performance, resulting in fewer medical errors and better patient outcomes.

The IISC is designed to transform the education of doctors, nurses, and other healthcare professionals by using highly advanced technologies to stimulate new ways to learn, teach and engage in research.

## Health Insurance

If a student is required by their program/college to have health care coverage, the charge for student health care coverage will be placed on the student account. This coverage is required for students in the MD program and in the Colleges of Nursing, Pharmacy & Pharmaceutical Sciences, Health Sciences and for student athletes. If a student is an international student holding a J-1 visa and has a federal requirement for health care coverage, the charge for that coverage will be placed on the student account. The charge may be waived after the student provides evidence that they have other, comparable health care coverage/insurance. All other University of Toledo students may enroll voluntarily in the Student Educational Benefit Trust (SEBT)-Medical Health Services (MHS), a wholly owned subsidiary of Medical Mutual of Ohio by going to the [SEBT website](#) and providing your information and payment. Alternately, you may choose to purchase health care coverage through the [Affordable Care Act](#) federal exchanges or enroll on parent, spouse or family health care plans.

For those mandated to have health insurance, the insurance charge will be removed after your waiver request is completed and approved. The charge will remain on your account if you do not complete the process by the completion of the add/drop period of the standard part of term for the semester.

Any student who is not mandated to have health insurance in any given semester, but is registered for at least one credit hour at The University of Toledo, has the option of voluntarily enrolling in either Student Health Insurance Plan. However, you must pay the University insurance provider directly for your insurance premium. The fee CANNOT be added to your Student Account.

The new Plan begins August 11, 2016 and ends August 10, 2017. Students may enroll for fall and/or spring, plus summer, as currently available. The waiver and enrollment deadline for fall semester is September 30; spring/summer is January 31; and summer only is July 1.

# Residence Hall Fees

## Advance Housing Fees

A \$40 non-refundable application fee is required with the housing application for each academic year.

A \$100 housing pre-payment/deposit fee is required for new and returning students for each academic year. It is applied towards the first semester of occupancy. This fee can be refunded if cancelled by May 1. After May 1, it is non-refundable.

The Housing Contract is a legally binding agreement between you ("you" or "resident") and The University of Toledo ("University"), a public institution of higher education (**University**), located at 2801 W. Bancroft Street, Toledo, Ohio 43606-3390. Once you have submitted and signed your housing application and it is accepted by the University, **your Housing Contract is valid for the entire academic year (fall and spring semesters)** and can only be canceled in accordance with these terms and conditions of the Housing Contract. These terms and conditions outline both your responsibilities and those of the University.

**Residency Requirement:** All first-year and second-year students who live outside of a 25-mile radius from the University are required to live on campus and participate in the meal plan program. In the event the University cannot provide a room or alternate housing, the housing and meal plan requirements will be excused, all rights and liabilities of the parties involved will cease.

You can check your application status on the top of the myUT housing application. You must pay a \$100 pre-payment (deposit) and \$40 non-refundable application fee at the time of application in order to access the application. All payments must be received online via the myUT Portal. If you cannot make the payment online, contact the Office of Residence Life at 419.530.2941 or [reslife@utoledo.edu](mailto:reslife@utoledo.edu).

If you no longer wish to live on campus, you will need to notify the Office of Residence Life in writing via your Rocket email to [reslife@utoledo.edu](mailto:reslife@utoledo.edu) or fax to 419.530.2942 by no later than 9 a.m. on the first day of classes to cancel your contract without being charged housing fees. Please note that cancellation fees may apply. If you do not plan to attend UT, prior to the first day of classes please login to the myUT portal and under the "New Student" tab select "New Student Not Planning to Attend" to complete the necessary steps to process your cancellation. If this is done by May 1, the housing deposit can be refunded. The housing application fee is non-refundable.

All fees, including but not limited to housing and meal plan charges, tuition, and other associated fees, are due and payable as required by the University. **A resident will not be permitted access to University housing or meal plan funds, if the resident's balance is not paid in full or until an approved payment plan is in place.** Should a resident default in complying with any payment dates for any of the resident's financial obligations, the University may seek any remedy in law or in equity, including specific performance of the resident's obligations or seek monetary recovery for damages. The resident agrees to pay all reasonable costs, attorney fees and expenses that are incurred by the University in enforcing this provision.

## Schedule Adjustments (Add/Drop)

## Official Withdrawals

**Students withdrawing from courses should consult the Financial Aid Office regarding the effect on financial obligations. Withdrawing from courses may have an adverse effect on financial aid benefits, scholarships, loan deferments, athletic eligibility, health insurance, veterans' benefits, degree requirements or other areas.**

Students who decide not to attend or stop attending any or all classes for which they have registered must drop or withdraw from the course(s). Drops and withdrawals can be processed online through the myUT portal (provided there are no holds) and can also be processed at Rocket Solution Central (RSC) located in Rocket Hall, room 1200. Failure to drop or withdraw from a course for which a student has stopped attending may result in a grade of "F". Specific drop and withdrawal dates for a term are listed on the [Office of Registrar's webpage](#). Drop and withdrawal dates are prorated for flexibly scheduled courses that do not meet during the standard start/stop dates of the term.

**Withdrawing from a course(s) will result in a grade of "W", which will appear on your official transcript. Once a withdrawal is processed, it cannot be rescinded. Based on the date of withdrawal, fees may or may not be adjusted. Since withdrawn courses reduce your enrolled hours, withdrawing from courses may have an adverse effect on financial aid benefits, scholarships, loan deferments, athletic eligibility, health insurance, veteran's benefits, degree requirements or other areas. If you are uncertain what effect withdrawing from the course(s) would have, it is recommended that you contact Rocket Solution Central.**

**Medical Withdrawals** — Students who wish to discuss possible drop/withdrawal from classes for an illness or injury must contact the Office of the Registrar at 419.530.4845 by the last day of the semester. Further information and assistance will be provided at that time.

**For additional information regarding changes in schedules,  
Please see the [Registrar's Web Page](#).**

## Refund Policies

**Issuance of Refund** - All University refunds will be issued to the student as the account holder via authorized direct deposit to the bank account of the student's choice (either checking or savings) or by mail via University check. PLUS loan (parent loan) refunds are issued to the parent/borrower via University check to the address on the application. If during the Plus loan application process the parent elected for excess payment to go to the student, it will occur as described above.

**Failure to maintain a current local or permanent address will result in a delay in the refunding process whether the refund is received via check or direct deposit.**

Courses canceled by the University will be refunded at 100%.

Financial aid refunds may be available after financial aid processing is completed and enrollment status can be confirmed. Students enrolled in various parts of term courses may receive refunds in installments after attendance in all registered courses has been confirmed.

Title IV Federal Aid recipients who drop below half-time enrollment during the 100% refund period or withdraw completely from the University may not be entitled to a loan disbursement or a refund of loan funds.

If a Federal Direct Loan recipient drops below half-time enrollment during the expense period covered by the loan, ALL remaining disbursements will be canceled for that expense period.

**The University of Toledo urges students to enroll in direct deposit which eliminates lost or stolen checks and is the *safest, fastest and most efficient method* students can use to receive their student account refund. Students can enroll and update direct deposit information via the MyUT Portal.**

## Ohio Residency Qualifications

**Qualifications and Procedures** - A student is a resident of Ohio for tuition purposes if he/she meets the requirements, as established by the Ohio Board of Regents (enrol
